The Christian Funeral

Highlands United Methodist Church, as a ministry, offers a funeral or memorial service for the family, loved ones, and friends of the departed. The liturgy (order of service) follows the United Methodist Book of Worship and the United Methodist Hymnal. The liturgy is an Easter liturgy. It finds all meaning in the resurrection. Because Jesus was raised from the dead, we too, shall be raised. The liturgy, therefore, is characterized by joy, in the certainty that “neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.” This joy, however, does not make human grief unchristian. The very love we have for each other in Christ brings deep sorrow when we are parted by death. Jesus himself wept at the grave of his friend. So, while we rejoice that one we love has entered into the nearer presence of our Lord, we sorrow in sympathy with those who mourn. As we remember and celebrate a person’s life through this liturgy of the church we do so acknowledging our loss and grief. While the liturgy itself is largely the same for all people there are opportunities to select particularly meaningful scriptures and hymns. The planning of the service usually takes place between the pastor and the family. This is an important and sacred time meant to honor any funeral/memorial service plans made previously and offer the ministries of the church to the bereaved. The Service of Death and Resurrection is primarily for the family, loved ones, and friends of the departed.

Clergy

Highlands has ordained ministers on staff available to counsel family members and offer guidance in planning the service. Clergy staff will coordinate and lead funerals and memorial services in the church. Families may request that a guest minister or lay speaker also assist with the service. In consultation with the family of the deceased, Highlands’ clergy staff will contact and coordinate with the guest preacher or speaker his or her role in the service.

Ushers and Greeters

Depending on the availability, the church will attempt to arrange for ushers and greeters.

Music

Highlands’ music staff will provide and coordinate music for the funeral and memorial services held at the church. In the event that Highlands music staff is not available, Highlands Director of Music will designate substitute musicians. A listing of appropriate hymns is available through the church office. There is a preference for live music only (no recorded music) to be used during the service. If desired by the family, Tower Bells can be played before and after the

service. An option of tolling by the Tower Bells is also available. The fees are reflected on the last page.

Services with a Casket/Urn

There are several options the family may choose for the Christian funeral. The family may want to inter the casket in a mausoleum crypt or grave at a cemetery before the memorial service. Likewise, the ashes contained in an urn may be inurned in a grave or columbarium niche prior to the memorial service. The family may wish to have a traditional funeral service where the body is present, either in the casket or in an urn during the service. The choice of a memorial service or a funeral service will not change the meaningful nature of the worship.

Prior to the funeral, the casket may be brought into the sanctuary by way of the parking lot. The elevator is located just inside the parking lot entrance in the Greeting Space.

Viewing of the body during the visitation should take place prior to the service. Before the service begins, the casket will be closed and the foot end of the casket turned perpendicular to the altar. If the church's pall is requested, please notify the office in advance. The pall may not leave the sanctuary for graveside services. If the U.S. flag is used on the casket, the family of the deceased should provide it to the church. Flowers should not be placed directly on either the church pall or the U.S. flag.

In the case of cremation, the urn will be placed on the pedestal in the opening of the chancel rail. The church pall, designed for the urn, is available.

Facilities of the Church

Highlands will provide, to its members, its sanctuary without charge. The church will furnish standard printed worship bulletins to aid the family and congregation in following the worship service.

Visitation

The family may plan a time of visitation in the greeting space before or after the memorial service to receive friends.

After Service Reception

The fellowship hall may be used for a reception after the service if it is not scheduled for another event. Caterers are responsible for the set-up, break down and clean up. The kitchen is not included.

Guest Registry Books

Guest registry books should be provided by the family and delivered to the church for the ushers to display.

Flowers

If a pall or United States flag is not desired to cover the casket, a blanket of flowers may be used. Floral arrangements may be placed on the church's pedestals on each side of the casket or on either side of the altar cross on the retable. They must be placed in the two brass urns provided

by the church which use #5 liners. Flowers may not be placed directly on the altar table. It is requested that sprays and potted plants from the florist, along with personal memorabilia, be displayed in the Narthex or the Greeting Space only. Flowers will need to be picked up before the building is closed for the day.

Memorial Gifts

A listing of Memorial options is available through the church office. The staff can provide information regarding any of these areas of special interest in the life of Highlands United Methodist Church.

Fees and Honorariums

Because Highlands United Methodist Church does not have full time organists or musicians, the following suggested fees below, are recommended for whatever inconveniences or expenses these individuals may occur.

The clergy staff of Highlands does not charge a fee for their services. If the family desires Highlands' clergy to have an honorarium, it is their discretion.

Choirmaster and Organist:	\$300
Musicians	\$250
Soloist:	\$75
Verger	\$50
